Saturday afternoon Wakefield will meet Herndon in a varsity football game at the latter's field beginning at 2:30 p.m. Warrior coach Dick Johnson is hopeful his team will bring back to the local followers win number four on the season against two setbacks. It will be no easy task as the Group I Herndon team has already defeated one team which edged the Warriors, and tied another who handed the Arlington school their second defeat.

Fullback Tom Perkins will be ready to continue atop the scoring parade for Wakefield, with Don Gardiner hoping to close the gap compiled when he was sidelined earlier in the season with a sprained ankle. Henry Mayo will do the signal calling with Rick Schlapkohl teaming with Gardiner at the halfback spots.

Frank Stevens and Mert McGill will open at the ends, Bill Gordon and Dick Stamp at tackles, Joe Patalive and Jim Kennedy at guards and Gary Parkey at center. Others due to see plenty of action in the hope of breaking the undefeated record of the home team are Bill Lady, Sonny James, Dave French, Joe Morris, John Holter, Steve Hall, Ed Hall, Al Lederle, Charles Maddox, Jim MacIntosh, Phil Brumbaugh, Howard Pennell, Pete Arnston, John Booth, Warren Watson and Jerry Tempski.

Wakefield would like to take this one by a good margin in prepping for their next encounter with the George Washington JV which lost to Washington-Lee's undefeated Junior varsity for the second time yesterday, 14-0. Wakefield and Washington-Lee JV meet in the final game for each school November 11th.
